---

### Education

#### Thinkful

October, 2018

*Full Stack Flex / Engineering Immersion*

- Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, jQuery, Node.js, React, Redux, and algorithms & data structures
- Created and deployed mobile-first applications while learning new languages and frameworks by collaborating several hours every week with a senior web developer

#### University of Connecticut, Storrs, CT,

May, 2015

*Bachelor of Science, Communication,*

Related Coursework: Social Psychology, Motivation and Emotion, Persuasion, Interpersonal Communication, Statistics, MATLAB

---

### Experience

#### Horizons Inc, South Windham, CT

March 2014 – June 2017

*Direct Care Staff*

- Ensured the health and safety of developmentally disabled residents through physical therapy, health tracking, administering first aid and medication, bathing, oral care, pericare, and utilizing PMT in emergencies
- Provided residents with assistance, positivity, and encouragement in the home, at work, and in the community through tutoring, meal preparation, transportation, and planning fun outings with friends and family

#### UConn South Dining Hall, Storrs, CT

August 2010 – August 2013

*Assistant Student Manager*

- Supervised 18 student employees at a time to serve as many as 2,000 customers per night and communicated with chefs and fellow managers to promote efficiency and minimize conflict
- Delegated tasks in response to staff preferences, short staffing, and times of high customer volume
- Promoted outstanding work through recognition at nightly meetings, weekly prize incentives, and biannual performance reviews while disciplining employees for code of conduct violations through one-on-one meetings
